

# LOCATION

France, Châteauneuf-du-Pape

# SOIL

Pebbly clay, sand, gravelly red clay, sandy limestone

### **ELEVATION**

100-125 meters

#### **FARMING**

Sustainable

#### **VARIETIES**

Grenache, Syrah, Mourvedre, Cinsault and other permitted varieties

#### AGE OF VINES

60-110+ years-old

#### **FERMENTATION**

Hand harvested, 30% whole cluster, fermentation in tank, 21-28 day maceration

#### AGING

18 months in foudre, 600L neutral French oak barrels, and 225L French oak barrels (20% new)

# **DOMAINE DE LA JANASSE**

# Châteauneuf-du-Pape Vieilles Vignes

Over the last quarter-century, Domaine de la Janasse has become one of the most highly-regarded estates in Châteauneuf-du-Pape. Led by siblings Christophe and Isabelle Sabon, the estate combines the best of both traditional and modern techniques to craft a collection of truly riveting wines from "simple" value-priced VDP's to their benchmark Châteauneufs.

The estate was founded in 1976 by Aimé Sabon, the father of Christophe and Isabelle, who still oversees the vineyards. The property consists of 40 hectares, spread over as many as 70 different parcels throughout the appellation. Their terroirs range from sandy soils, in their well-known plots in the North of the appellation – Chapouin and La Janasse– to lightly-colored clay-limestone soils and gravelly red clay and galets, most notably in La Crau in the South. While Aimé works the vineyards organically, his children, Christophe and Isabelle, are in charge of wine production. Christophe is a self-proclaimed "great defender of Grenache," which represents 75% of their vines. With assistance from Aimé's farming and Isabelle's efforts in the cellar, he harnesses the typical exuberance of Grenache-based wines through careful vinifications that respect both terroir and vintage. The results are a wide range of rich and flavorful Châteauneuf-du-Papes, Côtes-du-Rhônes, and Vins de Pays that are complex and balanced – often in contradiction to a region better known for sheer size and power.

In contrast to Chaupin, which is made from old-vine Grenache on sandy soils, the cuvée Vieilles Vignes is from old vines of Grenache, Mourvedre, Syrah along with smaller percentages of other permitted varieties that are grown in these old vineyards. The wine is sourced from 4 terroirs: pebbly clay, sand, gravelly red clay and sandy limestone.
