

VINNY

VIN (WINE) + NY (NEW YORK) = VINNY (BUBBLY)

MEET VINNY

Born in New York but enjoyed everywhere, we're the canned sparkling white wine you've been dreaming about and now won't be able to live without.

Supporting new regions, particularly the Finger Lakes, has long been the passion of VINNY founder, Thomas Pastuszak. And with VINNY, he set out to create something that embodies the high standards of making wine he has built his career upon (from the NoMad Hotel and Empire Estate Wine) with the ease and accessibility of a canned beverage.

The result? VINNY = VIN[Wine] + NY[New York]. We want to release all your bottle[d] frustrations, kick that glass habit, and show you how crisp, convenient, and crush-able canned wine truly can be.

TASTING NOTES

Flavor: green apple, lemon & lime. A refreshing blend of Grüner Veltliner and Dry Riesling.

Feeling: crisp & bubbly

WHENEVER, WHEREVER, & HOWEVER YOU LIKE

With VINNY, you can finally enjoy quality bubbly wine wherever you go, but this can is more than meets the eye.

Besides straight from the can or over the rocks (pinky up of course), VINNY can be used in a spritz, mimosa, or just add a splash of your favorite liqueur and stir for something fruity and delicious.
