**TASTING NOTES** A wine for each special occasion – with its vibrant delicate pink colour, it conjures up images of luscious sweet fruit and melt-in-your-mouth candy floss. Floral and unapologetically sweet berry aromatics welcome you on your first sniff, giving way to candy and some spice from our prized Cabernet Sauvignon vineyards. Amazing balance of flavour and intensity on palate, the mousse - fine and pure - spreading the delicate taste sensations around and dancing through a vibrant flavour spectrum of sweet, spice and herbaceous.
