2022 PINOT GRIS

GROWING SEASON: For 2022, frost in late spring had us wondering about lower yields. Thankfully, when the sun came out, it stayed; boosting yields and ripening our fruit over a record-breaking dry summer.

TASTING NOTES: Our Pinot Gris has a beautiful pale gold color and starts with fun aromas of bubble gum, apple, banana, and limoncello. This wine is creamy on the front of the palate like vanilla ice cream, but quickly moves to bright, vibrant acidity from tropical fruit flavors that create a distinctively mouthwatering finish.

VARIETAL: 100% Pinot Gris

AVA: Willamette Valley, Oregon

WINEMAKING: 100% Stainless Steel

ALCOHOL: 13.5%

BOTTLING DATE: March 2023

PRODUCTION: 700cs
