

LAURENT MIQUEL

SAUVIGNON BLANC 100%

Indication Géographique Protégée Pays d'Oc

Since 1791, eight generations of the Miquel family have worked the vines of their estate high in the Languedoc hills. Father to Son, harvest after harvest, they have worked the vines in harmony with nature. Laurent, the latest generation winemaker, combines the force of his ancestor's wisdom with his rebellious and innovative approach to create wines with true Languedoc character. He crafts this premium blend as a testament to the unique "terroir" to reveal a fresh, lively white with subtle yet delicious citrus and tropical fruit character. Serve chilled on its own, with a seafood selection, or a classic goats cheese salad.
